

1. Take the complete umbrella holder assembly and undo the adjuster screw to separate it from the handle bracket (photo 1).
2. Loosen the two screws in the handle bracket and separate the two halves of the bracket (photo 2).
3. Make sure the two nuts are in position in the inner part of the handle bracket (photo 3).
4. Hold the inner section of the handle bracket in position at the top of the handle, and slide the outer section over it (photo 4). It can be fitted to either side of the handle.
5. Tighten the two screws in the handle bracket (photo 5).
6. Re-attach the rest of the umbrella holder to the handle bracket (photo 6).
7. You can position the umbrella holder along the side of the handle when it's not raining (photo 7).
8. If you want to leave it on the trolley when its folded, position the umbrella holder across the top of the handle (photo 8).
9. Take care when using the umbrella holder on breezy days.
